

tons of rock), new construction, and rehabbing homes in need of lots of TLC. As a result, we want nothing to stand in the way of our mission. We must respect one another, and always lend a helping hand. Our behavior must reflect our mission as we represent Our Lady of the Woods Parish and its Youth Ministry Program. As you would expect, alcohol, drugs, tobacco, weapons, and fireworks will not be tolerated. Thank you in advance for doing all you can to keep our mission in your mind and heart.

This week will be a learning experience. It will be a chance for you to learn a new trade or skill. It's an opportunity to learn the value of teamwork. You will learn how to live in the same place with lots of other people (this one is not always easy ☺). You will experience how other people live and meet individuals that you will carry in your heart forever. Most importantly, you learn how it feels to do God's work in one of the most sacred places I have ever been.

I hope that my thoughts have helped you in your consideration of this incredible faith opportunity. If you have any questions, please don't hesitate to call me at (708)269-6315. I am looking forward to experiencing this week with you.

Sincerely,
